Message from the Canadian Police and Peace Officer's Memorial Service Coordinator

Dear friends and family,

I am happy to announce that we are planning a return to a full service this year, September 25<sup>th</sup>, 2022 at 11am in Ottawa, Ontario on Parliament Hill.

We are working diligently with our partners to ensure we can once again gather on the front lawn of Parliament Hill to honour the officers who we have lost these past nearly three years.

This service will give us the opportunity to embrace the families and loved ones of those fallen officers with a fitting tribute to their sacrifice.

Plans are in the works to return to a full Regimental Parade along Wellington Street up onto the front lawn; a non-denominational memorial service; presentation of headdress and March Past at the conclusion of the service.

We will, of course, continue to make the service accessible via a live social media broadcast for those who cannot make the journey.

Please join us September 25 in Ottawa as we pay tribute to our officers and their families as their names will be enshrined forever on the Memorial Tablets on the bluff overlooking the Ottawa River in our Nation's Capital.

As service coordinator, I sincerely appreciate the support and patience you all demonstrated these past few years to keep the collective memory of our fallen officers alive.

Fraternally,

S/Sgt. Steve Boucher, M.O.M.  
CPPOM Service Coordinator
